SCHOOL REPORT.

NELSON CENTRE SCHOOL.

The spring term was taught by Miss Ruth B. Mayhew of West Tisbury, Mass., this being her second term in this school. She did good work and we feel particularly grateful to her for the marked improvement made in reading, among the majority of pupils.

The fall and winter terms were taught by Miss Mary Stilwell of Yonkers, N. Y. Her work was good and her methods original.

We closed the school two weeks earlier than we had planned, but expect to have this made up in the spring term, thus giving this school the usual thirty weeks.

Spring term, 12 weeks. Pupils registered, 17. Average attendance, 14.36.

Fall term, 11 weeks. Pupils registered, 19. Average attendance, 15.

Winter term, 5 weeks. Pupils registered, 14. Average attendance, 11.

MUNSONVILLE SCHOOL.

Miss Bertha Gould of Marlboro, N. H. taught the spring term, which completed her fifth year of service in this school. Owing to an epidemic of measles, the school was closed after nine weeks.

The fall and winter terms were taught by Miss Teresa Martin of Marlboro, Mass. Miss Martin is a graduate of

the Quincy, Mass., Training school, and the Framingham Normal school. We found her a most patient and pains-taking teacher, and were glad to note progress in her drill work in the many subjects taught.

Spring term, 9 weeks. Pupils registered, 31. Average attendance, 27.

Fall term, 11 weeks. Pupils registered, 28. Average attendance, 24.41.

Winter term, 10 weeks. Pupils registered, 22. Average attendance, 18.74.
